SUBJECT: DEMOCRATIC REPUBLIC OF CONGO SANCTIONS DEMARCHE  
DELIVERED TO CHINA

REF: STATE 33379

Classified By: Political Minister Counselor Daniel  
Shields. Reasons 1.4(b/d).

(C) China will study closely the cases of the individuals and companies proposed for listing by the United Nation's 1533 Committee for their role in violating UNSC resolutions concerning the Democratic Republic of the Congo (DROC), MFA International Organizations Department UN Division Deputy Director Yao Shaojun said in response to Poloff's demarche delivering reftel points. The United States and China have cooperated closely on policy toward the DROC so far, he noted. Poloff emphasized that the individuals and companies proposed for listing by the United States have been involved in violations of the weapons embargo, in gold trade with rebel groups and have otherwise played a role in undermining stability in the DROC.
